

Electric toasters for household and similar purposes — Methods for measuring the performance

The European Standard EN 60442:1998, with the incorporation of amendment A1:2003, has the status of a British Standard

ICS 97.040.50

National foreword

This British Standard is the English language version of EN 60442:1998, including amendment A1:2003. It is identical with IEC 60442:1998, including amendment 1:2003. It supersedes BS 3999-9:1993 which is withdrawn.

The UK participation in its preparation was entrusted by Technical Committee CPL/59, Performance of household electrical appliances, to Subcommittee CPL/59/7, Small kitchen appliances, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European subcommittee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.
