

BSI Standards Publication

Child care articles – General safety guidelines

Part 2: Chemical hazards

National foreword

This Published Document is the UK implementation of CEN/TR 13387-2:2018. It supersedes PD CEN/TR 13387-2:2015, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CW/1, Safety of child use and child care products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
