Household and similar electrical appliances — Test code for the determination of airborne acoustical noise

Part 2-10: Particular requirements for electric cooking ranges, ovens, grills, microwave ovens and any combination of these

National foreword

This British Standard is the UK implementation of EN 60704-2-10:2011. It is identical to IEC 60704-2-10:2011. It supersedes BS EN 60704-2-10:2004, which will be withdrawn on 1 November 2014.

The UK participation in its preparation was entrusted to Technical Committee CPL/59, Performance of household electrical appliances.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
