

BSI Standards Publication

Eye and face protection for sports use

Part 3: Requirements and test methods for eyewear
intended to be used for surface swimming

National foreword

This British Standard is the UK implementation of [ISO 18527-3:2020](#). It supersedes [BS 5883:1996](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PH/2, Eye protection.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
