

Playing field equipment — Tennis equipment — Functional and safety requirements, test methods

The European Standard EN 1510:2004 has the status of a
British Standard

ICS 97.220.30; 97.220.40

National foreword

This British Standard is the official English language version of EN 1510:2004. It supersedes BS EN 1510:1997 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SW/14, Gymnasium and sports equipment, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
