

BSI Standards Publication

Child care articles — Table mounted chairs — Safety requirements and test methods

National foreword

This British Standard is the UK implementation of EN 1272:2017. It supersedes BS EN 1272:1998, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CW/1, Safety of child use and child care products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
