

# Stationary training equipment —

## Part 2: Strength training equipment, additional specific safety requirements and test methods

The European Standard EN 957-2:2003 has the status of a  
British Standard

ICS 97.220.30

# National foreword

This British Standard is the official English language version of EN 957-2:2003. It supersedes BS EN 957-2:1997 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SW/136/4, Stationary training equipment, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.

### Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the *BSI Catalogue* under the section entitled “International Standards Correspondence Index”, or by using the “Search” facility of the *BSI Electronic Catalogue* or of British Standards Online.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

**Compliance with a British Standard does not of itself confer immunity from legal obligations.**

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 28 July 2004

### Summary of pages

This document comprises a front cover, an inside front cover, the EN title page, pages 2 to 12, an inside back cover and a back cover.

English version

**Stationary training equipment - Part 2: Strength training  
equipment, additional specific safety requirements and test  
methods**

Appareils d'entraînement fixes - Partie 2: Appareils  
d'entraînement de force, exigences techniques spécifiques  
de sécurité et méthodes d'essai supplémentaires

Stationäre Trainingsgeräte - Teil 2: Kraft-Trainingsgeräte,  
zusätzliche besondere sicherheitstechnische  
Anforderungen und Prüfverfahren

This European Standard was approved by CEN on 11 March 2003.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Luxembourg, Malta, Netherlands, Norway, Portugal, Slovak Republic, Spain, Sweden, Switzerland and United Kingdom.
