Commitment for Amendments

This standard is issued jointly by the Canadian Standards Association (operating as "CSA Group") and Underwriters Laboratories Inc. (UL). Comments or proposals for revisions on any part of the standard may be submitted to CSA Group or UL at anytime. Revisions to this standard will be made only after processing according to the standards development procedures of CSA Group and UL. CSA Group and UL will issue revisions to this standard by means of a new edition or revised or additional pages bearing their date of issue.

The Department of Defense (DoD) has adopted UL 250 on March 23, 1976. The publication of revised pages or a new edition of this Standard will not invalidate the DoD adoption.

Preface

This is the common UL and CSA Group Standard for Household Refrigerators and Freezers. It is the Fourth edition of CAN/CSA-C22.2 No. 63 Household Refrigerators and Freezers and the tenth edition of UL 250, Household Refrigerators and Freezers.

This common Standard was prepared by CSA Group and Underwriters Laboratories Inc., and the appliance manufacturing industry. The efforts and support of the Canadian Appliance Manufacturers Association (CAMA) and the Association of Home Appliance Manufacturers (AHAM) are gratefully acknowledged.

This Standard is considered suitable for use for conformity assessment within the stated scope of the Standard.

This Standard was reviewed by the CSA Subcommittee of the Technical Committee on Consumer and Commercial Products under the jurisdiction of the CSA Strategic Steering Committee on Requirements for Electrical Safety, and has been formally approved by the CSA Technical Committee.

Note: Although the intended primary application of this Standard is stated in its Scope, it is important to note that it remains the responsibility of the users of the Standard to judge its suitability for their particular purpose.

CSA Group Effective Date

The effective date for CSA Group will be announced through *CSA Informs* or a *CSA Group certification notice*.

This Standard is subject to periodic review, and suggestions for its improvement will be referred to the appropriate committee. To submit a proposal for change, please send the following information to inquires@csagroup.org and include "Proposal for change" in the subject line: Standard designation (number); relevant clause, table, and/or figure number; wording of the proposed change; and rationale for the change.

UL Effective Date

As of February 22, 2013 all products Listed or Recognized by UL must comply with the requirements in this Standard except for the Clauses in the following list which have an effective date of September 30, 2014.

Clauses 4.8.1.5, 4.8.1.5A, 9.9.1 and Table 4.3.

Between February 22, 2013 and September 30, 2014 for Clauses 4.8.1.5, 4.8.1.5A, 9.9.1 and Table 4.3, new product submittals to UL may be evaluated under all requirements in this Standard or, if requested in writing, evaluated under presently effective requirements only. The presently effected requirements are contained in this Tenth Edition.

UL's Standards for Safety are copyrighted by UL. Neither a printed nor electronic copy of a Standard should be altered in any way. All of UL's Standards and all copyrights, ownerships, and rights regarding those Standards shall remain the sole and exclusive property of UL.

Comments or proposals for revisions on any part of the Standard may be submitted to UL at any time. Proposals should be submitted via a Proposal Request in UL's On-Line Collaborative Standards Development System (CSDS) at <http://csds.ul.com>.
