National foreword

This standard has been prepared by Technical Committee ISO/TC 83 "Sports and recreational equipment".

The responsible German body involved in its preparation was the *Normenausschuss Sport- und Freizeitgerät* (Sports Equipments Standards Committee), Technical Committee NA 121-03-01 *Ski- und Snowboardsportgeräte*.

Attention is drawn to the possibility that some of the elements of this document may be the subject of patent rights. DIN shall not be held responsible for identifying any or all such patent rights.

The DIN Standards corresponding to the International Standards referred to in clause 2 of the ISO Standard are as follows:

ISO 554	DIN 50014
ISO 9407	DIN 66074-1

The classification into types A and C given in Table A.1 is based on DIN ISO 5355 according to which type A ski-boots are for adults and type C ski-boots for children.

The correction of the error contained in Figure 8 of ISO 22264:2006 has been incorporated in this standard.
