A comma is used as the decimal marker.

National foreword

This standard has been prepared by Technical Committee CEN/TC 134 "Resilient, textile and laminate floor coverings" (Secretariat: BSI, United Kingdom).

The responsible German body involved in its preparation was the *Normenausschuss Kunststoffe* (Plastics Standards Committee), Working Committee NA 054-04-05 AA *Bodenbeläge*.

Amendments

This standard differs from DIN EN 655:1997-01 as follows:

- a) a NOTE has been added in Subclause 3.2 "agglomerated composition cork with polyvinyl chloride wear layer";
- b) the NOTE in Subclause 4.2.1 has been deleted;
- c) in Table 3 "Classification requirements for level of use", class 22+ has been added;
- d) in Table 3, the level of use designations have been brought in line with DIN EN 685;
- e) the method using the "heavy swivel castor (prEN 1818)" is no longer listed in the informative Annex A "Optional properties";
- f) normative references have been updated;
- g) the standard has been editorially revised.

This European Standard was approved by CEN on 10 March 2011.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN-CENELEC Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.
