English version

Gymnastic equipment – Vaulting boxes
Requirements and test methods including safety

Matériel de gymnastique – Plints – Exigences et méthodes d'essai y compris la sécurité

Turngeräte – Sprungkästen – Anforderungen und Prüfverfahren einschließlich Sicherheit

This European Standard was approved by CEN on 2002-11-28.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Management Centre or to any CEN member.

The European Standards exist in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, the Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Luxembourg, Malta, the Netherlands, Norway, Portugal, Slovakia, Spain, Sweden, Switzerland, and the United Kingdom.
