Partie 13: Jeux de table olfactifs, ensembles cosmétiques et jeux gustatifs;  
Version anglaise EN 71-13:2021,  
Traduction anglaise de DIN EN 71-13:2021-06

Document comprises 31 pages

Translation by DIN-Sprachendienst.

In case of doubt, the German-language original shall be considered authoritative.

*A comma is used as the decimal marker.*

## National foreword

This standard includes safety requirements.

This document (EN 71-13:2021) has been prepared by Technical Committee CEN/TC 52 “Safety of toys” (Secretariat: DS, Denmark).

The responsible German body involved in its preparation was *DIN-Normenausschuss Sicherheitstechnische Grundsätze* (DIN Standards Committee Safety Design Principles), Working Group NA 095-05-01-02 AK “Safety of toys — Chemical properties”.

Once this standard is cited in the Official Journal of the European Union, a manufacturer applying this standard may assume compliance with the requirements of the Toy Safety Directive (Directive 2009/48/EC) (“presumption of conformity”). For further information, users of this standard should refer to the websites of the European Union.

The standard which this document replaces, DIN EN 71-13:2014-07, may be used in parallel with this standard during a specified period where such has been laid down in the Official Journal of the European Union.

The DIN document corresponding to the document referred to in this document is as follows:

ISO 11930	DIN EN ISO 11930
-----------	------------------

For current information on this document, please go to DIN’s website ([www.din.de](http://www.din.de)) and search for the document number in question.

## Amendments

This standard differs from DIN EN 71-13:2014-07 as follows:

- a) in 4.1, the requirements for olfactory board games, in particular regarding substances and mixtures (4.1.2), have been slightly revised;
- b) in 4.2, the requirements for cosmetic kits, in particular regarding substances and mixtures (4.2.2, the heading has been changed to “Fragrances”), have been revised;
- c) in 4.3, the requirements for gustative games, in particular regarding substances and mixtures (4.3.2), have been slightly revised;
- d) in Clause 5, the requirements for the equipment, in particular regarding containers and glassware (5.2), have been slightly revised, and the requirements for closures of child-resistant containers have been revised to permit only closures according to EN ISO 8317:2015;
- e) in Clause 6, the requirements for general markings and warnings (6.1) have been revised;
- f) some explanations in Annex A have been revised, and additional explanations on markings and warnings have been added;
- g) the test method for the closures of containers (Annex C) has been deleted;
- h) the Bibliography has been updated, in particular with regard to changes in legislation.
