## JAPANESE INDUSTRIAL STANDARD

J I S

## Plastic Table Wares

S 2029-1984

## 1. Scope

This Japanese Industrial Standard specifies the plastic table wares, hereinafter referred to as the "table wares". In this case, it contains coated table wares. However, those to be temporally used, those for electronic ovens, sealing vessels and those specified in JIS S 2047 are excepted.

## 2. Definitions

Main definitions used in this standard shall be in accordance with JIS K 6900 and JIS K 5500, and others shall be as follows:

- (1) sealing vessel The vessel so constructed that liquid is hardly leaked when transported.
- (2) synthetic resin composites The materials compounded with dispersing agents of inorganic or organic matter (talc powder, calcium carbonate powder, glass fiber, chips and shavings, etc.) to improve its physical properties using synthetic resin as matrix.
